ABOUT OUR COMPANY

Language Fluent aims to pave a simplistic and informative way to learn the top foreign languages of the world. We provide a well curated and organized curriculum to our students making their learning worthwhile and satisfactory.

For the last 3 years, we have trained an extraordinary number of students from diverse areas and supported them throughout their language learning journey. These students are able to accomplish their goals and objectives with Language Fluent's detailed foreign language courses.

The students are trained systematically starting from the basics, going through intermediate levels and finally stepping on the highest stones of advanced modules. At the end of each course, we provide certifications for each language that hold credibility and are internationally valid.

Our various other services include online/offline teaching, translation, and interpretations in accordance with the client's expectations and needs.

OUR MISSION AND VISION

COURSE CATEGORIZATION

Language Fluent will help you to learn Chinese right from the basics in a systematic method, hence no prior knowledge of Chinese is required. The level specifications are listed below:

Level 1

Beginner's Level : Students who complete this level will be able to understand and use simple Chinese phrases. They will be able to answer questions regarding personal information, communicate briefly, learn about basic grammar rules and be capable of further understanding Chinese language studies.

Level 2

Elementary Level : Students will be able to understand 300+ words, basic grammar rules, and comprehend conversations between two people. They will be able to hold simple conversations to understand educational qualifications, family and business information, local geography, employment, background, etc.

Level 3

Intermediate Level : Students will be able to encapsulate information from different media resources like advertisements, posters, etc., and give information regarding address, directions, countries, food, and places while travelling. They will be able to listen, read and write short essays or texts.

COURSE CATEGORIZATION

Level 4

Upper Intermediate Level : The student will be able to communicate with native speakers, memorize 1300+ Chinese words, summarize ancient texts on various topics understanding divergent meanings associated with them. This level enhances the pronunciation of language resulting in efficient, well-structured, and detailed sentences.

Level 5

Advanced Level : Students will be able to understand several descriptive texts and decipher their meanings. They will be able to express concepts fluently and naturally without searching for the correct vocabulary and use the language when required for social, academic, and professional purposes.

Level 6

Mastery Level : On completing the last level, students will understand conversations between native speakers and articulate perfect pronunciation. They will be able to grasp information from spoken and written resources, proficiently constructing arguments, opinions and voice their concerns while speaking the language expressively.

EXPERIENCING CULTURE AT LF

Language Fluent helps students absorb the cultural fragments through various extracurricular activities like debates, webinars, live movie streaming, reading etc. These sessions also include verse meetings, book review sessions, and cooking classes which provide students with the opportunity to learn more about the culture of their country of choice.

Film Meetings

Film Meetings at Language Fluent are organized to expand familiarity and understanding of life in China. In these sessions students get an understanding of the vernaculars of Chinese culture.

Cooking Classes

Students at Language Fluent are encouraged to explore the different aspects of Chinese food, not only to better comprehend the eating habits in China or their cuisine patterns but also to interpret and see the correlation between English and Chinese languages.

Verse Meetings

In verse meetings, students compose their own sonnets in Chinese or read assortments from well-known Chinese writers. Discussions on verse craftsmanship, music, dance, food and celebrations are taken up on a regular basis to impart knowledge about China.

Reading Activities

Students are urged to understand articles and papers in Chinese and offer their unique opinions on the matters during group interactions.

Book Review

Students at Language Fluent are urged to read more in Chinese and book reviewing sessions are organised. Famous books like Journey to the West by Wu Cheng'en are included in the curriculum.

Essay Writing Competition

Essay writing competitions are regularly organized to help the students enhance their writing skills. It also provides them with a competitive environment in which they can strive to become better and learn from their peers.

Vocabulary and Pop Tests

Pop tests are held routinely to guarantee regular surveying of themes to assist students with accomplishing their language goals. Our spelling quizzes help in upgrading the vocabulary and also make the students mindful of slang and words utilized by the locals.

INTRODUCING KID'S
LANGUAGE PROGRAMME

LINGO KIDS

Lingo Kids is an unique online Foreign Language Learning Programme offered by Language Fluent for kids between the age group of 6-14 years. The languages offered are French, Spanish, German, and English.
