ABOUT OUR COMPANY

Language Fluent aims to pave a simplistic and informative way to learn the top foreign languages of the world. We provide a well curated and organized curriculum to our students making their learning worthwhile and satisfactory.

For the last 3 years, we have trained an extraordinary number of students from diverse areas and supported them throughout their language learning journey. These students are able to accomplish their goals and objectives with Language Fluent's detailed foreign language courses.

The students are trained systematically starting from the basics, going through intermediate levels and finally stepping on the highest stones of advanced modules. At the end of each course, we provide certifications for each language that hold credibility and are internationally valid.

Our various other services include online/offline teaching, translation, and interpretations in accordance with the client's expectations and needs.

COURSE CATEGORIZATION

At Language Fluent, Korean is taught from the basics of “Hangul” and then ascends deeper into the language. Therefore, no prior knowledge is required except your enthusiasm to learn Korean. The course specifications are described below:-

Level 1

Beginner’s Level : Students will be able to carry out basic conversations regarding daily survival skills, understand the contents related to personal and family subjects, comprehend basic grammar rules, create simple sentences using the vocabulary of 1000+ words and understand most of the sentences used in daily life.

Level 2

Elementary Level : Students will be able to use formal and informal expressions according to the situation, carry out simple conversations related to daily life, make phone calls, utilize public facilities, etc., and use about 3000+ vocabulary words to comprehend any subject in order.

Level 3

Intermediate Level : Students will be able to socialize with citizens without any difficulty, verbally express several subjects they are familiar with, and interpret specific texts. They will be able to differentiate the elements of the written language from the spoken language.

COURSE CATEGORIZATION

Level 4

Upper Intermediate Level : Students will be able to understand social and cultural subjects, frequently use Korean idiomatic expressions, and encapsulate information from news broadcasts, newspapers, or magazines. They will be able to carry out ordinary work and understand abstract subjects fluently as well.

Level 5

Advanced Level : Students will be able to understand and use unfamiliar expressions related to politics, economics, history, society, or culture and decipher information from various literature substances. They will also be able to understand every complex grammar rule associated with the language.

Level 6

Mastery Level : On completing the final level, students will be able to speak Korean fluently and understand several dialects present in various provinces. They will be able to articulate information on any subject, write detailed essays on familiar or unfamiliar subjects and perform all the necessary linguistic expressions.

EXPERIENCING CULTURE AT LF

Language Fluent helps students absorb the cultural fragments through various extracurricular activities like debates, webinars, live movie streaming, reading etc. These sessions also include verse meetings, book review sessions, and cooking classes which provide students with the opportunity to learn more about the culture of their country of choice.

Film Meetings

Film Meetings at Language Fluent are organized to expand familiarity and understanding of life in Korea. In these sessions students get an understanding of the vernaculars of Korean culture.

Cooking Classes

Students at Language Fluent are encouraged to explore the different aspects of Korean food, not only to better comprehend the eating habits in Korea or their cuisine patterns but also to interpret and see the correlation between English and Korean language.

Verse Meetings

In verse meetings, students compose their own sonnets in Korean or read assortments from well-known Korean writers. Discussions on verse craftsmanship, music, dance, food and celebrations are taken up on a regular basis to impart knowledge about Korea.

Reading Activities

Students are urged to understand articles and papers in Korean and offer their unique opinions on the matters during group interactions.

Book Review

Students at Language Fluent are urged to read more in Korean and book reviewing sessions are organised. Famous books like Skinship by Yoon Choi are included in the curriculum.

Essay Writing Competition

Essay writing competitions are regularly organized to help the students enhance their writing skills. It also provides them with a competitive environment in which they can strive to become better and learn from their peers.

Vocabulary and Pop Tests

Pop tests are held routinely to guarantee regular surveying of themes to assist students with accomplishing their language goals. Our spelling quizzes help in upgrading the vocabulary and also make the students mindful of slang and words utilized by the locals.

INTRODUCING KID'S
LANGUAGE PROGRAMME

LINGO KIDS

Lingo Kids is an unique online Foreign Language Learning Programme offered by Language Fluent for kids between the age group of 6-14 years.
